Dating Certificate Process

Dave was the first member of the club to go through the new process. He explained that once he had all the paperwork it was quite simple. It is recommended that members start the process a few weeks before they need the registration renewed as it takes a while to get all the forms printed and signed. Club needs to keep a copy of forms on file. **DAVE to provide TERTIA with a copy of his paperwork.**

Brochure

Trevor suggested that we change our brochure is a single A5 page. After discussion, it was decided to maintain the current A4 three-fold format but it try printing it on different coloured paper to bring some colour into the brochure without spending money on colour printing.

TREVOR to print the A4 three-fold brochure onto different coloured paper for next meeting.

NATIONALS

Members are booking accommodation separately. Some are travelling down earlier in the week, others later so it is unlikely that the club will travel together as a group. Hosting group has written back thanking for our support and advised that we will be sponsoring one of the MM Categories, either original or maintained. They would like to receive the cheque earlier rather than later.

KEN to send a cheque for \$50.00 to Southern Highlands Morris Minor Car Club, 56 Throsby Stree, Moss Vale, NSW 2577.
